How it works — three steps

Step	What happens
1. Apply	Fill the form at salestrackr.in/partners . We call you within one working day and give you your partner code, e.g. DXB-014, and your link.
2. Share	Send your link to companies with field sales teams. They sign up and get a 14-day free trial. You get an email the moment they start.
3. Earn	When they become a paying customer you are notified again. Every month we pay your commission on the 1st and send a statement. Log in any time to see your customers and earnings.

What can you earn?

Customers pay per salesperson per month. A typical customer has 8 salespeople on the Business plan. Here is what that means for you as a reseller (30% / 15%) — and it adds up, because every customer keeps paying every month.

Customers you bring	Customer pays / month	Your commission, year 1	Your commission / month, year 2 onwards
1 (8 users, Business)	₹3,192 (\$64)	₹958 (\$19)	₹479 (\$10)
10 customers	₹31,920 (\$640)	₹9,576 (\$192)	₹4,788 (\$96)
50 customers	₹1,59,600 (\$3,200)	₹47,880 (\$960)	₹23,940 (\$480)

Example only. Figures are per month, based on 8 users on the Business plan. Larger customers (Enterprise, 20+ users) pay more, so you earn more.

Customer pricing (what you sell)

Plan	India	UAE, Oman, Gulf, Africa & rest of world	Made for
Starter	₹299 / user / month	\$6 / user / month	Small teams up to 10 salespeople
Business	₹399 / user / month	\$8 / user / month	Growing teams: full reports, leave, 5 manager logins
Enterprise	₹599 / user / month	\$12 / user / month	Large teams, always-on tracking option, 20 manager logins

Yearly payment gets a discount. Prices are fixed by SalesTrackr and are the same for every partner — you never need to negotiate.
